14. REGULATORY COMPLIANCES:

The compliance of Section 30(2) of the Code given in Annexure to Form-H (supra) is examined as under:

- a) **Section 30(2)(a):** Vide Addendum dated 28.02.2026 the SRA has proposed a contribution of Rs.23,00,000/- towards the CIRP Cost. In addition to the aforesaid, the actual CIRP Cost incurred, if any, up to the date of approval by the Adjudicating Authority, shall be borne by the Resolution Applicant. The final CIRP Cost incurred up to the date of approval shall stand reduced by the Resolution Professional's fee for the period of 215.50 days.
- b) **Section 30(2)(b):** As per Section 30(2)(b) of IBC Code, 2016 payment of debts of Operational Creditors should be in such a manner as may be

specified by the Board, which shall not be less than the amount to be paid to the Operational Creditors in the event of liquidation of Corporate Debtor under Section 53.

i. **Operational Creditor (Other than Employees & Statutory Dues)-**

In compliance of order dated 10.02.2026 SRA through applicant has filed affidavit vide Diary No. 1089 stating that as per the addendum submitted by the SRA, the SRA states that an outstanding liability of Rs.1,26,38,042/- exist towards other operational creditors as evidenced in the books of the Corporate Debtor and the Information Memorandum, and who have not submitted claims. The SRA proposes to pay this amount in full, i.e. Rs.1,26,38,042/-, in recognition of the services rendered by them and ensure continued operations of the Corporate Debtor as a going concern under this Resolution Plan.

ii. **Operational Creditor (Workmen & Employees):** No claim was filed by the employees. Nevertheless, the Successful Resolution Applicant proposes to discharge the entire outstanding amount of Rs.25,72,475/- in full, so as to ensure continuity of support and safeguard the interests of the workforce.

iii. **Operational Creditor (Statutory Dues)-** No claim was submitted by the GST department for its outstanding dues. Further there are outstanding dues in respect of Professional Tax and TDS also. The SRA proposes to make the aforementioned payments in-full and final settlement of their dues.

c) **Section 30(2)(c):** The CoC comprises of a sole financial creditor and there is no question of a dissenting financial Creditor.

d) **Section 30(2)(d):** The Implementation and Monitoring Committee, along with the Reconstituted Board, shall have the responsibility of the supervision of the day-to-day affairs and the management of the Corporate Debtor and implementation and supervision of the Resolution

Plan till the Implementation Date. The Implementation and Monitoring Committee will also supervise the functioning of the Reconstituted Board and the payments to the Financial Creditors and other stakeholders from time to time. The IMC shall take over management control of the Corporate Debtor, immediately upon approval of the Resolution Plan by the Adjudicating Authority and shall be responsible for operating the Corporate Debtor as a going concern. The terms of functioning of the Implementation and Monitoring Committee shall be finalized by the CoC and the Resolution Applicant jointly. All decisions taken by the Implementation and Monitoring Committee shall be by way of a majority vote of the members of the Implementation and Monitoring Committee. 3) **Regulation 38(1B):** As mandated under Regulation 38(1B) of the CIRP Regulations, the Resolution Applicant confirms in Section III on Pg. 54 of the Plan that as on date the Resolution Applicant or any of its related parties has not failed to implement or contributed to the failure of implementation of any Resolution Plan approved under the code.

4) **Regulation 38(3)(a):** High Interest rate and very short term for repayment of the term loan. The project needed gestation period of 4 years to generate profits and the initial loan term was very short which has caused liquidity issue for the CD and caused default. The cause of default for the corporate debtor was also due to non-receipt of payment from ESIC. The resolution Applicant addresses the cause of default and proposes to redesign its investment pattern. It has planned for bringing in additional investments to pay the resolution plan amount from the additional share capital from doctors and hospitals by diluting promoters shareholding which has no interest cost and

repayment commitments and bringing funds from resolution applicant by selling their personal properties or raising mortgage loans with low interest cost, as addition equity infusion from promoters. The Resolution Plan provides for infusion of funds for improvement of overall efficiency level of the Corporate Debtor. With the combination of these efforts the applicant plans to resolve the cause of default.

- 5) **Regulation 38(3)(b):** The feasibility and viability of the Resolution Plan have been duly explained in Section IX thereof, wherein a detailed Business Plan for operating the Corporate Debtor as a going concern has been provided. The Resolution Applicant has proposed an amount of ₹11,00,000/- (Rupees Eleven Lakhs Only) towards working capital. Further, considering that the Hospital is already a going concern, the Resolution Applicant has proposed additional capital expenditure towards major repairs, overhauling, and start-up costs amounting to ₹18,00,000/- (Rupees Eighteen Lakhs Only) for making the plant fully operational and for meeting logistical requirements. Additionally, the projected financials along with the business plan for the ensuing five years have been furnished at page 443 of the Petition.
- 6) **Regulation 38(3)(c) & Regulation 38(3)(d):** The time-line for approvals of Resolution Plan is stated in Section XIII of the Resolution Plan. On the approval of the Resolution Plan, the Resolution Applicant through the Corporate Debtor will begin the process of obtaining necessary sanctions, approvals, and licences as per the implementation schedule and the same is tabled below:
